### EVENT DETAILS:

*What better way to enjoy the Family Day weekend than at Deer Lake School's Lunar New Year Multicultural Festival?*

The Lunar New Year is a popular holiday in our city for family celebrations. And on the Family Day weekend, it becomes the perfect opportunity for DLS to honour the rich multicultural diversity of our school family. This multicultural celebration will offer delicious food booths from various countries, live multicultural music, craft activities, carnival games, face painting and so much more!

Admission is free, but various vendors will sell their foods, crafts, games and activities. This festival is a great event for the entire family - and please bring a friend. Last year we attracted 500+ visitors to this fun community festival.

This event is hosted by Deer Lake School's PAC (parent advisory council).

**All profits from this event will go to the DLS PAC and ARTS program fundraiser.**
